

## **NOTICE CONTENT**

"Pursuant to the Land Recycling and Environmental Remediation Standards Act, the Act of May 19, 1995, P.L. 4, No. 1995-2 (Act 2), 35 P.S. §§ 6026.101 et seq., notice is hereby given that Lord Corporation, a subsidiary of Parker Hannifin (Parker Lord) is submitting to the Pennsylvania Department of Environmental Protection (PADEP) a Notice of Intent to Remediate (NIR) for a site located at 4110 Conestoga Road in Elverson, northern Chester County, Pennsylvania. Remediation has been conducted at the site to address chlorinated volatile organic compounds in soil and groundwater. The NIR provides for additional investigative and/or remedial activities under Act 2 as necessary to obtain a relief of liability for constituents in soil and groundwater in accordance with a combination of Act 2 Statewide Health Standards and Site-Specific Standards. The future use of the property has the potential to be residential. Act 2 provides for a 30-day public comment period for Site-Specific Standard remediations. The 30-day comment period is initiated with the publication of this notice. Until 30 days after this publication date, you may submit a request to Parker Lord to be involved in the development of the remediation and reuse plans for the site. The address for comments is Parker Lord, c/o Arcadis U.S., Inc., 2100 Georgetown Drive, Suite 402, Sewickley, Pennsylvania 15143. Copies of this request and any comments should also be submitted to the PADEP at 2 East Main Street, Norristown, PA 19401." DLN Dec 14; 1a
